

## WORLD LEADERS CONSIDER NAVAL HOLIDAY OFFER

Britain And Japan Approve Hughes' Proposal Only "In Principle."

BALFOUR WILL ASK CERTAIN CHANGES

Japan Will Demand Understanding On Future Of Naval Bases.

Washington, Nov. 14.—While the naval strategists of all the great powers wrestled today with the exacting limitation conditions laid down by America, the heads of the five principal delegations went into secret sessions at the Pan-American union building ostensibly to consider methods of procedure.

The sessions got under way shortly before noon. Present were Secretary of State Hughes, A. J. Balfour of the British, Premier Briand of France, Baron Kato of the Japanese and Senator Schanzler representing Italy.

The first flush of general approbation has been given to the necessity of hard matter-of-fact consideration of each proposal made by Secretary of State Hughes.

Both Great Britain and Japan have approved the epochal suggestions of America only "in principle" which is tantamount to saying that they approve the general idea of reducing existing navies and regulating future building.

A. J. Balfour, head of the British delegation to the armament conference, probably will go before the conference tomorrow and make a speech virtually accepting the proposals for a naval holiday made by the United States, it was stated semi-officially at the British delegation headquarters today.

Seek Amendments  
Mr. Balfour in his proposed speech however will ask a certain portion of the proposals be opened for amendment and further discussion.

Japan will demand a complete understanding on future developments of naval bases before she makes any definite and final reply to America's suggestion, it was learned here today.

A naval holiday which did not extend to naval bases in the Pacific would be ineffective, according to experts here, and Japan cannot afford to quit building ships until she has assurances that the United States is ready to agree to cessation of extension of her base facilities in the Pacific.

## DEMONSTRATIONS SHOW STEAM CAR A SUCCESS

Demonstrations of the steam car being manufactured at the new plant of the McDonald, Steam Automotive Corporation at Garfield, continue to prove very satisfactory. The car was taken out in the snow Friday and Saturday while demonstrations were witnessed by interested people from Pittsburgh, New Castle, Cleveland, Canton, Orville, and Salem.

These demonstrations will be given every Friday and Saturday at the plant at Garfield.

## BIG DREDGE BURNS

Sundaway, Nov. 14.—A big dredge owned and operated by the Lakeside Dredging company of Toledo in a reclamation project between Cedar Point and the West Huron marsh was totally destroyed by fire early today. The loss is estimated at \$25,000.

## Scores Those Who Cling To Religious Traditions Of Old

"To many of us are making the mistake of clinging to the traditions of our ancestors, instead of doing what we believe to be right and obeying the commandments of God," was the theme of Rev. H. L. Miller's sermon at the Christian church Sunday night.

In his direct and frank manner Rev. Mr. Miller scored the so-called Christians who are so blinded and bound down by ancient traditions and customs that they can not or rather will not break away to do the mission of God in the way their fathers did.

Rev. Mr. Miller wishes to impress upon the minds of all church members that on Wednesday, Nov. 23, there will be a Union Thanksgiving service at the First Baptist church, 100 E. Third ave. Rev. F. S. Eastman, pastor of the Episcopal church will deliver the address. The worship will begin at 7:30 and everyone is invited.

## Mayor Names Committee On Employment

Miss Bess Leach, Red Cross worker, and C. A. McKinley, real estate dealer, were appointed Monday by Mayor John W. Post as two of a committee of three to represent him at a conference with manufacturers in connection with the unemployment registration bureau established by the mayor to relieve the unemployment situation.

The third member of the committee will be selected by Miss Leach and Mr. McKinley.

No further registration will be conducted at the city hall, Mayor Post announced in giving the unemployment register to the committee that they would conduct registration and handle all work in the future.

## 60,000 CLOAK MAKERS STRIKE AS PROTEST AGAINST PEECE WORK

New York, Nov. 14.—Sixty thousand cloak makers in New York city went on strike today because of an attempt of employers to restore the piece work system which officials of the International Garment Workers union declare will bring back sweat shop conditions.

Manufacturers stated that restoration of piece-work was necessary for the good of the trade and the "benefit of the public."

Benjamin Schlessinger, head of the Garment Workers union, said he believed the employees would win and that they would spend their \$2,000,000 to bring victory.

## Girl Is Accused Of Stealing Cash From Box Office

Cleveland, Nov. 14.—Mary Turacy, 21, a girl ticket seller in a movie theater at Buckeye road S. E., and East 89th st. is under arrest today charged with the theft of \$5,686, mostly within the last year, part of receipts of the theater during that period. The girl received a salary of \$50 a week.

Police say that the girl, after her arrest, made a full confession. In her room, hidden under a bed was found \$3,186, while two bank books showed deposits of \$2,500, which, police say, the girl confessed was part of the stolen money. At the time of her arrest \$109 in cash was found concealed on her person.

The proprietor of the theater, Sam Deutsch, well known in sporting circles as one of the joint promoters of the Kilbane Frush fight, felt that he was not making sufficient money from his movie enterprise and asked police to investigate.

The girl paid \$7 a week room rent.

## EXPECT FIRST BONUS CHECKS BY CHRISTMAS

Columbus, Nov. 14.—Hope that first payments of the soldier bonus may be made by Christmas has been voiced by Attorney General Price, who, with Secretary of State S. E. and Auditor Tamm, constitute the state sinking fund commission which will have charge of the administration of the bonus.

## Residents Of County Seat Are Stirred By Work Of Incendiaries Saturday Night; Livery Barn Damaged.

Lisbon, Nov. 14.—The people of Lisbon were wrought up Saturday evening when four barns were burned within an hour, and the circumstances surrounding the fire were such as to warrant people of the town to believe that they were of incendiary origin.

The fire department was first called out at 9 o'clock to the home of John L. Scott, East Washington st. The barn at the foot of the Scott lot and one belonging to him which was located just across the alley were burning in the hay mows, both having the appearance of having been fired at the same time. Another barn a few feet north of the Scott structure on the Alpheus Arter lot, was also on fire in the mow.

The three fires in the east end of town were in the hands of the firemen when at 10 o'clock another fire alarm was turned in and the Commercial House livery barn on Beaver st. was reported burning. It was also on fire in the hay mow.

Soon as possible a part of the hose was run up to the livery and in the meantime three track horses belonging to James Piper, one belonging to Frank Clapsaddle, a valuable team belonging to Charles Moore and a horse belonging to the Lisbon Provision company, were gotten out.

Three cows and a horse were taken out of the Scott barn, but a number of chickens were burned. Scott's loss is estimated at \$2,000.

A barn on the Ira Ward lot, near to the Arter barn, was damaged by fire, but the loss is not heavy. The damage to the livery barn, the upper part of which was badly damaged, and the Arter loss, have not been estimated.

## SALEM MAN'S BROTHER MURDERED IN GARAGE AT YOUNGSTOWN HOME

James Getz, Water st. attended the funeral of his brother, Jacob Getz, Saturday afternoon at his home, Dewey ave., Youngstown.

Jacob Getz, 44, was murdered Wednesday night in a garage at his home. He was shot twice through the heart. He was first thought that he had committed suicide, but upon investigation the coroner rendered a verdict of murder.

Surviving are his widow, one daughter, Mabel; his father, William Getz, Mercer, Pa.; a brother, James Getz, Salem; and a sister, Mrs. O. L. Nichols, Akron.

He was a truck driver and had been employed by the Wilkins Leonard Hardware company.

## Church Gives Fine Pageant Sunday Night

Elaborate Settings Mark Pageant At Church Of Our Saviour

A large audience at the Church of Our Saviour Sunday night was very appreciative of the pageant, "The Light of Lights," given in three acts. A long procession formed in the new parish hall headed by the crucifer and vested choir followed by the actors, apostles, three wise men, deaconesses and rector.

The first act was the three wise men, L. Woolman, M. Probert and G. Snyder, richly robed in kingly vestments, who presented gold, frankincense and myrrh to the mother, Mrs. Ralph Sturgeon. The altar hangings were changed by the deaconesses, Misses Liz-bon Whinnery, A. Freda Eastman and Catherine Stratton.

In the second act the apostles marched down the aisle, lighting their large candles from the great light placed before the altar and repeating words descriptive of their labors and lands where they were to carry the light of the gospel. The apostles were R. J. Taylor, C. E. Greenmeyer, H. Hise, G. Snyder, W. Baillie, M. Probert, L. Woolman, A. Greenmeyer, W. H. Read, Ralph Sturgeon, Charles Wirsching, Lewis Stratton.

The third act was comprised of three persons describing the beneficent results among their people through the shining of the divine light—Miss Louise Scullion dressed as an Indian, Miss Mary Boggs as a Japanese, J. D. Cooper as an African. Solos were given by E. V. Burt, Mrs. C. W. Leland, Mrs. Harold Hise, Mrs. M. Probert and R. Gibbons. Miss Bernice Morgan was organist. The artistic costuming under direction of E. Harris deserves special mention.

The rector, Rev. F. S. Eastman, explained that the pageant was given to celebrate the centennial of the missionary society and expressed deep appreciation for the efforts of those who participated.

## THREE AUTOS SEIZED BY SAFETY DIRECTOR

Three automobiles were confiscated by the city Saturday and Sunday and are being held by Safety Director Alex Chaffant at his garage awaiting claims of the owners.

One machine was found on Columbus st., another on Main st. near Broadway, and the third machine on the Blackburn road. All three cars had been parked for 36 hours.

## TEN PERSONS DIE, 30 ARE INJURED IN TENEMENT FIRE

Two Of Victims In New York Monday Morning Were Children.

DOZEN LIVES SAVED BY DARING FIREMEN

Thirty Burned Or Injured In The Mad Scramble For Safety.

New York, Nov. 14.—Ten persons are dead, and a dozen are dying as the result of a fire sweeping through a five-story tenement house at 108 West Seventeenth st. here early today. Two of the victims were children.

So much progress had the fire made before it was discovered and so rapidly did it spread that several of the victims were burned in their beds without a chance for life. The cause of the blaze has not been learned.

Thirty persons were burned or injured in the mad scramble for safety that followed the scurrying of the alarm by employees of a postal substitution across the street. The injured were attended by ambulance surgeons.

Seventy-five persons, mostly Greeks and Spaniards, were made homeless by the blaze, which gutted the interior of the building. They were temporarily housed in the postoffice while blankets and clothing were sent from New York hospitals, and hot coffee and sandwiches were provided by the police.

Quick work by the firemen in running an 85-foot extension ladder up to the roof of the tenement saved a dozen lives. The firemen were just too late to save Benjamin Diaz, 25, who lost his grip on a third floor window sill just as a ladder was being put up to him. He fell to the sidewalk and sustained a fractured skull and legs.

Fireman Patrick Foley risked his life when he plunged through the flames to rescue an unidentified woman who was so badly burned that she is now dying in Bellevue. Idvln Mullane, 25, also was taken to Bellevue suffering from a broken arm sustained when he was pushed off the fire escape by excited tenants.

Eight bodies had been recovered early today.

## PEACE PROGRAM GIVEN BY WILBUR FRIENDS; MESSAGES ARE READ

A program relating to peace was given at a meeting of the Wilbur Friends meetinghouse, East Sixth st. This program was given:

"The Effect of War," George McGrail, Winona; "The Cost of War," Lawrence Morlan, Damascus; reading, "The Call of the Christian," Alice Winder, Damascus; "Women's Disarmament Organizations," Inetta Blackburn, Middleton; "Notes of the Conference," E. F. Stratton; a review of the book, "The Next War," by William Erwin, Edin Edgerton, Columbian; "The Ideal Country," Charles P. Morlan, Damascus; concert recitation of a poem, "Disarmament," written by Jesse Edgerton, Damascus and recited by the eighth grade pupils of Winona Friends school; "Peace on Earth," Clara Patton, Winona.

Charles Morlan read a copy of the telegram sent by Salem Quarterly meeting to secretary of state, Charles Hughes, chairman of the conference on limitation of armaments, and also a copy of the letter sent a short time ago by the representative body of Ohio Yearly meeting to the United States representatives of the conference and delivered by James Henderson and Robert H. Smith, Barnesville.

These messages both reminded the members of the conference of their responsibility and the need of help from a higher power.

## INJURED IN AUTO CRASH

Joseph T. Smith of East High st. while on his way home from Lisbon Saturday, was injured in an auto accident. An unidentified driver turned out to go around another machine with great force and Smith was on the right side of the road and claims to have been within his own rights. He was hurt about the shoulders and his machine was badly damaged.

## Italian Slain, Pal Is Wounded; Man And Wife Accused

Naval Program Will Continue

Washington, Nov. 14.—The proposals of the United States for a 10-year naval holiday will have no effect on the present status of the American naval building program, Secretary of the Navy Denny said today.

The present building program will be continued until definite agreement has been reached and there will not be an effort to slow down or curtail the building operations pending final agreement on the matter, the secretary said.

## Arbuckle Jury Selection May Be Hard Task

Venire Includes 13 Women And 53 Men; Each Asked 20 Questions

San Francisco, Nov. 14.—The task of obtaining a jury of 12 men and women who will determine the guilt or innocence of "Fatty" Arbuckle, charged with manslaughter, as the result of the death of Virginia Rappe, film actress, was undertaken here today.

The 13 women and 53 men were in the venire called in Superior Judge Harold Louderback's court at 10 o'clock today when the clerk called the case of the state vs. Arbuckle.

The state had 20 questions prepared for each juror. Two days' was the most optimistic forecast for obtaining a jury while some estimated a week will be required and many special venires.

District Attorney Brady, as the trial started, repeated his challenge to the defense to put Arbuckle on the stand. It has not been definitely decided by the defense whether the film star will take the witness stand.

As the trial actually opened it became more and more apparent that the defense relies heavily on the testimony of George Glennon, hotel detective, to clear their client. Glennon, it is understood, will testify that before her death Virginia Rappe in his presence absolved Arbuckle from blame for her condition. Glennon made a statement to the district attorney's office, and the defense claims that the prosecution failed to pay any attention to it and that it was suppressed.

Their second line will be depositions to the effect that Miss Rappe suffered from physical ailment for many years and had been warned that any exertion might cause her death. The state will fight introduction of this line of defense and expects to show that Miss Rappe up until the afternoon of the party was in perfect health.

## CHARGES SIGNATURE TO NOTE IS FORGERY

The question of whether the signature to a note upon which judgment was rendered in common pleas court during the last January term of court was genuine or a forgery, will be determined in an action filed in court by M. L. Green of East Liverpool, against Ira Blackburn of Jefferson county.

The judgment was entered against Green in favor of Blackburn for \$2,040 and costs, the amount being found due on a cognovit note which was filed in court by Blackburn judgment being entered on the same day which the claim was filed. Green now states, in an action filed by him, that he knew nothing of the filing of the action against him, and brands the signature to the note as a forgery, charging Blackburn with practicing fraud in obtaining the judgment on the same. He says that he never signed or delivered the note, and he wants the court to restrain Blackburn from attempting to collect the judgment by levying on his property or in any other way, until he can set up his defense in court.

## GIRLS HIKE 5 MILES TO ATTEND MEETING

Misses Blanche O'Connell, Mildred Smith, Geneva Barker, Edith Ward, Naomi Derr, Martha Park, Bessie Park, Thelma Bonner and Lois O'Connell, Christian Endeavors of the First Friends church hiked to Damascus Sunday afternoon to attend rally of the Damascus Quarterly Meeting Christian Endeavor union. Rev. Raymond Bobbie, Beloit, gave the address.

Others who attended from Salem were Rev. I. L. Kinsey, Mr. and Mrs. R. C. Eckstein, Mr. and Mrs. Edgar Derr and daughter, Miss Laura Coulson and Miss Pearl Walker.

## Perry Street Home Is Scene Of Shooting Saturday Evening.

TWO ARE CHARGED WITH MANSLAUGHTER

Woman Admits She Fired At Intruders Who Broke Her Window.

In a shooting affray about 6:30 p. m., Saturday at the home of Frank Calbrese, 21 Perry st., Joe Falco, Italian, was shot below the heart and died shortly afterwards at Salem City hospital. Tony Noreco, Italian, is at Salem City hospital in a serious condition with a bullet through one lung.

Mr. and Mrs. Frank Calbrese, Italians, were arrested on a charge of manslaughter and shooting with intent to kill.

Mrs. Frank Calbrese in a confession to police assumed the blame for the shooting. Frank Calbrese, the husband, in his statement to the police said his wife fired the two shots.

One gun with two discharged cartridges and another gun with five loaded chambers were discovered in the house by police authorities.

In her confession to police, Mrs. Calbrese said Falco and Noreco appeared at their home about 6:30 p. m., Saturday and demanded entrance, which was refused. They broke a window and in defending her home she fired two shots, she said. One shot struck Falco just below the heart, the second shot passing through Noreco's lung.

Falco staggered down Perry st. to Broadway and Etta st. where he was found by police. He was rushed to Salem City hospital where he died shortly afterwards.

Noreco went to the home of his brother on Newgarden st. and was later taken to Salem City hospital.

Shortly after the shooting Officers White and Webster and Firemen McIlvaine and Yarwood went to the Calbrese home and found one gun which was hidden in a cupboard by Calbrese as they approached. Police Chief Thompson later found the gun which Mrs. Calbrese is alleged to have been used.

Calbrese was arrested at his home on a charge of manslaughter. Mrs. Calbrese was arrested on Depot st. after coming from the home of her sister where she went after the shooting to make arrangements for the care of her seven children.

When visited Monday morning by Police Chief Thompson, Noreco charged both husband and wife with shooting with intent to kill. Noreco claimed he and Falco went to the home to pay a friendly visit. No motive for the shooting or for the attempted forcible entrance was obtained. Noreco was unwilling to talk, refusing to answer the numerous questions.

In a dying statement Falco is alleged to have charged Calbrese with the shooting.

Two persons said to have been with Falco and Noreco made their escape and are still at large.

Police officials are investigating the shooting thoroughly.

The funeral was held at 2 p. m. Monday at the Gall Stark funeral parlors. Interment in Grandview Burial park.

## HASTEN PEACE, SALEM FRIENDS TELL HUGHES

Salem quarterly meeting of the Society of Wilbur Friends in session Saturday at the Wilbur Friends meetinghouse, East Sixth st., appointed a committee to draft a telegram to be sent to Charles E. Hughes, chairman of the conference on the limitation of armaments. This is the telegram:

"The solemn responsibilities devolving upon you, have awakened in our hearts the earnest craving that the God of Peace may preside in the hearts and the deliberations of the members of the conference in such way as to make you instrumental in hastening the day when war shall be forever at an end."

Earlier Fowler, who had credentials to Western yearly meeting, and Rachel Cope, who had credentials to Western Iowa and Kansas yearly meetings, returned them at this meeting.

## Sportsmen Ready For Opening Day Of Rabbit Season

Clear cold weather is promised sportsmen by the weather man for the opening of rabbit season Tuesday. The season extends from Nov. 15 to Jan. 1, both days inclusive.

Hunting is permissible on all days excepting Sundays from one hour before sunrise to one hour after sunset. Ten rabbits is the limit allowed each hunter for one day.

That hundreds of sportsmen from Salem will spend their ways to the woods the opening day is shown in the number of hunting licenses taken out and the different hunting parties.

## OHIO MUST REFOREST 10,000 ACRES YEARLY TO REPLACE TIMBER

"Ohio should plant 10,000 acres of forest a year in attempting to replace the annual timber cut of the state," says Edmund Secret, state forester, of the Ohio Experiment station, Wooster.

"Even at this rate of planting it would be many years before the acreage devoted to reforestation would yield lumber enough to replace the annual cut."

"The annual timber cut of the state is approximately 250,000,000 board feet."

"Ohio has at least 1,000,000 acres of waste and idle lands on which forests should be planted to complement the lumber production of the 3,000,000 acres of native woodland in supplying our timber needs. The state could well devote 5,000,000 acres of land to forests without interfering with agricultural production."

## TAKES CARE OF 5 CHILDREN

Mrs. Taylor's Sickness Ended by Lydia E. Pinkham's Vegetable Compound

Roxbury, Mass.—"I suffered continually with backache and was often dependent, had dizzy spells and at my monthly periods it was almost impossible to keep around at my work. Since my last baby came two years ago my back has been worse and no position I could get in would relieve it, and doctor's medicine did not help me. A friend recommended Lydia E. Pinkham's Vegetable Compound and I have found great relief since using it. My back is much better and I can sleep well. I keep house and have the care of five children so my work is very trying and I am very thankful I have found the Compound such a help. I recommend it to my friends and if you wish to use this letter I am very glad to help any woman suffering as I was until I used Lydia E. Pinkham's Vegetable Compound."

Mrs. MAURICE E. TAYLOR, 5 St. James Place, Roxbury, Mass.

Backache is one of the most common symptoms of a displacement or derangement of the female system. No woman should make the mistake of trying to overcome it by heroic endurance, but profit by Mrs. Taylor's experience and try Lydia E. Pinkham's Vegetable Compound.

Women And Disarmament  
THE great question of the limitation of armament is not an abstract problem, but a personal issue to the women of America, who have made it their own. Two million of the women who suffer and protest are found in the membership of the General Federation of Women's clubs, of which Mrs. Thomas G. Winter is president.

Mrs. Winter has traveled all over the country arousing the sentiment of club women and of all women. "We are the creators of public opinion," she has told them in her direct and simple way. "Let us stand by the president in his efforts in behalf of the future sanity and safety of the world."

The attitude of the federation, as its able representative expresses it, is that all the activities with which women are associated—in the life of the home, the care of the child, the pursuits of art, literature, music, the support of schools, the furtherance of citizenship, all that a woman strives either to be or to build—are swept into the discard by war. War is the enemy of woman. The war we went through was frightful; any war to come must be incalculably more awful still. The preventative work done at this time takes advantage of an unexampled opportunity to coordinate and make effective the sober judgment of men and women on the gravest of problems—to mobilize sentiment for peace that it may not again be necessary to mobilize the flower of the race for warfare.

## GETTING RID OF A NASTY TEMPER

How Gude's Pepto-Mangan Relieves Ill Humor or Bad Health.

When ill humor becomes chronic and a man or a woman who should be genial becomes known as a "groach," nine times out of ten the cause is physical. When blood gets weak and full of poison it leaves the body weak, the face pale, and causes a throbbing, tingling. There is no endurance. Nerves get all rattled, because in a weak blood condition the body is not nourished sufficiently with the oxygen that rich red blood supplies.

Gude's Pepto-Mangan is a blood-builder and when taken in steady doses for a while it causes a flood of fresh red blood cells to stream through the body, bringing robust health and strength. With good blood, rich and red, there are no "groaches." Life looks good and pleasures are keenly enjoyed.

Druggists have Gude's Pepto-Mangan in liquid and tablet form. Be sure to get the genuine with the name "Gude's Pepto-Mangan" on the package. Advertisement.

## PUPILS TO GIVE PLAY BY BERNARD SHAW FOR BENEFIT OF "QUAKER"

Wednesday and Thursday of this week high school pupils are to give their play for the benefit of this year's "Quaker." They are to give "You Never Can Tell."

This play is by Bernard Shaw. It is the third play by this author presented in Salem. The first was "Brassbound's Conversion," given by the senior class of 1917 to help pay for an annual. Lester Woolman was Brassbound, the hero, and Almeda Geiger was the only and overwhelming lady of the play; Harold Votaw was the little hare-footed Arab boy.

The second was given by the college boys last summer, "Arms and the Man." Memories of Ed Peters as the ravenous father and of Ruth Lowry as the mother who washed her neck so often to be in fashion—that she got sore-throat, are still with us. We can still feel sleepy remembering Joe Fawcett, the weary chocolate cream soldier. We haven't forgotten Kay Liber's marvelous Balkan mountains, nor the very good love-making done by James Kesselmaire with Josephine Gottschalk.

In this third play "You Never Can Tell" Kay Liber is not a mountain painter and scene-shifter but a very good hero. Josephine Gottschalk, instead of taking the part of maid for the fourth time, with Robert Taylor to accompany, encourage and attempt to suppress her, makes more amusement than anyone but Robert Taylor has ever made in Salem.

It is impossible to say what any play of Bernard Shaw's is about. This play seems to aim at presenting all the unexpected things that can happen in life. No one in the play is prepared for the unexpected, save the peasant, philosophical, tactful waiter, Russell Fick, whose principle in life is: "You never can tell, sir, you never can tell."

## ASPIRIN

Name "Bayer" on Genuine

Warning! Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headache, Neuralgia, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve Bayer Tablets of Aspirin cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

## SECRETED HIS LITTLE HOARD

Indiana Man Evidently Had Little Confidence in the Wearers of the Cloth.

After much persuasion, Mrs. Housewife, in Connersville, finally prevailed on her husband to let two ministers use their spare bedroom during a church conference.

A day or two later the telephone rang in the office of the factory where he worked and Mrs. Housewife insisted on talking to him. She was informed that he could be called to the telephone only on matters of sickness or death or of the gravest importance. She said it was all three combined, or words to that effect, and he was summoned.

Having difficulty in hearing on the telephone, the superintendent repeated the message.

"She says it is gone," said the superintendent.

"What's gone?" asked the puzzled husband.

"She says the money's gone," replied the superintendent, after inquiring of the woman.

"What money?" inquired the puzzled husband.

"Why, the money in the spare bedroom," she explained, through the superintendent.

"Oh," he said, his face clearing, "don't worry about that. I took the money out of there and put it in the cowshed. I took no chances with them two fellers."—Indianapolis News.

## KIDNEY TROUBLES Conquered or Money Back

For 46 years, says Dr. Carey, I have been prescribing Marsh-Root for Kidney and Bladder sickness on the money back if dissatisfied plan.

If you are tired, miserable, tortured with nagging backache, lameness, acute, darting pains; subject to dizziness, headaches, sallow skin, puffiness under your eyes, a tendency to rheumatic pains, and Bladder disorders, look to your kidneys. Don't wait. Get your health back while you can. Drink lots of good, pure water and start at once taking Dr. Carey's Marsh-Root prescription No. 777. (Liquid or Tablets). It has wonderfully benefited tens of thousands. Results guaranteed. Recommended and sold by J. H. Lease's Molding's, Bolger & French's and all druggists. Insist on genuine.

## OUR READERS

Meaning of Patriotism  
Editor of the News—Just a few lines more in regard to "Ex-Service Man." Most of our readers have made such a deserved stir in our town. Does he confound parades, closing of schools (our highly esteemed American Institution) shouting and applause with patriotism?

Patriotism is something far deeper, more profound and searching in its manifestations, something which prompts us to work for our country's interest always, not just when the tremendous relief of 1918, on Armistice day, urged us to the white heat of shouting and ringing of bells and blowing of whistles to demonstrate our joy.

It means infinitely more than noises and clamor because we are glad a horrible incubus has been restrained. It means, above all, just at present, in helping in reconstruction after the awful horror of the most devastating war in history; so that prices may once more become normal, not striking for higher wages and shorter hours, but giving a CHEERFUL and FAIR equivalent for the wages which can safely be paid. It means deep down in our hearts, gratitude that our country escaped the bombs and destruction of war which other lands suffered from, and it also means that every effort to prevent another such war shall be made by tongue, pen and example. If "Ex-Service Man" is a hyphenated conscript, one can understand such a vitriolic outburst, for naturally he has a grievance which must have an outlet, but if he is a simon pure, 18-carat American, then shame upon him!

To vilify our most patriotic citizen, who expended thousands of dollars that those in the service might be happier and more comfortable is beneath the "honor" of any man. The writer knows of one incident where this same worthy citizen who has given so largely of his means made it possible for the parents of a soldier, going overseas, to visit him in New York before he sailed. This was but one of thousands of similar acts of generosity, which were performed without self-advertisement, and blaring of trumpets.

Therefore let us all humbly, forbear from criticizing those great in generosity and kindness of spirit, and remember that we can still be helpful in the gigantic task of reconstruction and dedication which lies before us. CITIZEN.

## Answers Charges

Editor of the News—Since my article appeared in Thursday evening's issue I note that several charges have been placed against me, to all of which I plead not guilty. I did not in any way object to patriotism being taught in the public schools, nor did I attack the Kiwanis club, as the writer of Saturday evening's article will learn if he gives a little careful study to said article.

Patriotism should be judged by the acts of every day life and not by spending large sums of money on special occasions.

Truth always hurts the most and one does not need to be vulgar to drive it home. It is usually branded as "insidious propaganda" in these days of strife.

## EX-SERVICE MAN.

## TABER WILL DISCHARGE EMPLOYEE WHO GAMBLES

Columbus, Nov. 14.—Announcement that gambling, intoxication and any unbecoming and immoral conduct "hereafter" will be considered as "sufficient cause for immediate dismissal" of any of the employees of his department has been made by L. J. Taber, state director of agriculture.

Director Taber expressed belief that recent charges filed against the character and conduct of some employees are unfounded.

"Any inspector or worker, who is not striving to do more and better work than he accomplished last year and, if possible, to reduce his expenses is out of harmony with the spirit that actuates the workers of the department," Director Taber said.

## SALEM HI. OUTCLASSES EAST LIVERPOOL TEAM WINNING 16-0 BATTLE

On a field ankle deep with mud and water, Salem High school defeated East Liverpool by a score of 16 to 0 Saturday afternoon. Salem easily outclassed her opponents in every department of the game, because of its condition of the field open play could not be resorted to and Salem's line smashing attack could not be stopped. On the defense Salem's forwards were seldom pierced, and only a very few tackles were made by the secondary defense.

Salem received the first kick-off and a long forward pass to Jones on the first play was missed, the ball being too slippery to hold. Salem smashed through the line for good gains but was penalized when within striking distance of the goal. A few seconds after the start of the second quarter, Roessler went over on a criss-cross play for the first score of the game. Sheehan missed the goal. Salem kicked forward pass route as her line smashes were stopped at the start. Roessler intercepted one pass, and with splendid interference ran 50 yards for the second touchdown. Sheehan kicked goal. The half ended with the ball in Salem's possession on her opponents' 15-yard line.

The play during the second half was marked by numerous fumbles. The Salem team had the ball most of the time but when ready to score lost the ball on fumbles. Near the end of the

## COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. When ever her hair took on that dull, faded or streaked appearance, this simple mixture was applied, with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through the hair, taking one strand at a time. By morning the gray hair disappears; after another application or two it is restored to its natural color, and looks glossy, soft and beautiful.

## Improbable Story Beginnings.

Heckvenicker had been in the dance place for over three hours, but still, he had not tired of the jazz music.

When Lundek presented his check at the paying teller's window, the man in the cage did not count the money more than once.

Svenska objected to her boy friends spending money on her.

Roquefort had just returned from the dentist, who refused to accept the regular fee because he had inflicted so much pain upon his patient.

"No," said the insurance agent, "I was not 'just' in the neighborhood, but I came uptown especially to see you."

## Balky Car Window Starts Romance

Rita Hooke, a clever, dashing little actress, was on her way to Sonybrook inn for a short rest. The train was warm and the window refused to open. The handsome young man in the seat just behind was obliging, and the romance began then and there. But, in spite of this splendid beginning, there were to be many windows opened for all concerned in "Oh Lady and Elf" before the atmosphere of "Lady" and the adventures of Bebe Danick, the "good little bad girl," and the rest of the people who become embroiled, will afford everyone who sees this sparkling photoplay at the Royal theater many a laugh. 28th.

## IF BACK HURTS USE SALTS FOR KIDNEYS

Eat Less Meat if Kidneys Feel Like Lead or Bladder Bothers

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver and acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless, it flushes clogged kidneys and stimulates them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

## SEBRING TIGERS CALL OFF GAME; TURKEY DAY CONTEST IS UNCERTAIN

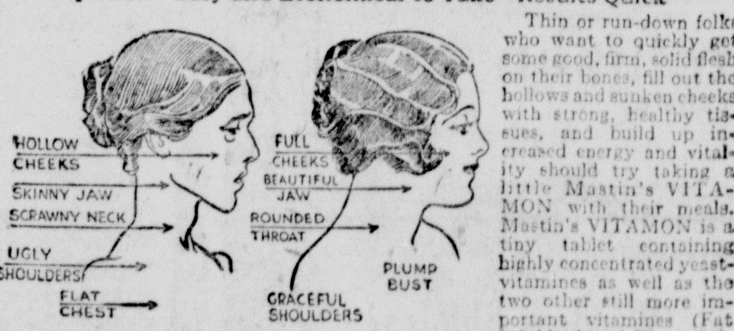

Two days of rain and snow which converted the field into a sea of mud and the number of cripples after the Armistice day game with Alliance Goat Hills at Mt. Union field when they were defeated 7 to 0 caused the Sebring Tigers to postpone the game with Salem Eagles Sunday afternoon at Sebring.

Late Saturday Manager "Chick" Alton received notice from Sebring declaring the game off. No arrangements have been made for Sebring's appearance here Thanksgiving afternoon but efforts will be extended to the local management to secure their signature to a contract.

## New Yeast Vitamon Tablets Round Out Face and Figure

With Firm, Healthy Flesh, Increase Energy and Beautify the Complexion—Easy and Economical to Take—Results Quick

Thin or run-down folks who want to quickly get some good, firm, solid flesh on their bones, fill out the hollows and sunken cheeks with strong, healthy tissues, and build up increased energy and vitality should try taking a little Mastin's VITAMON with their meals. Mastin's VITAMON is a tiny tablet containing highly concentrated yeast-vitamins as well as the two other still more important vitamins (Fat Soluble A and Water Soluble C). It banishes pimples, boils and skin eruptions as if by magic, strengthens the nerves, builds up the body with firm flesh and tissue and often completely rejuvenates the whole system. Quick, gratifying results. No gas caused.

If you are thin, pale, haggard, drawn looking or lack energy and endurance take Mastin's VITAMON—two tablets with every meal. Then weigh and measure yourself each week and continue taking Mastin's VITAMON regularly until you are satisfied with your gain in weight and energy.

IMPORTANT! While the remarkable health-building value of Mastin's VITAMON has been clearly and positively demonstrated in cases of lack of energy, nervous troubles, anemia, indigestion, constipation, skin eruptions, poor complexion and a generally weakened physical and mental condition, it should not be used by anyone who OBJECTS to having their weight increased to normal. Do not accept imitations or substitutes. You can get Mastin's VITAMON tablets at all good druggists.

## 65 NEW DRESSES

At \$ 9.95

Sale Starts Tuesday Morning, 10 A. M. None Sold Before!

NO LAY AWAYS VALUES \$15.00 TO \$25.00 NO ALTERATIONS

We doubt if ever before dresses such as these were offered for so low a price. About 65 in all—many having been unpacked only two or three days ago—others taken right out of stock from among our higher priced garments.

Materials include French velvet, satin, tricotine, wool serges, etc. Pretty beaded models included.

Included in the sale of dresses you may select any velvet jumper and your choice of any Waist up to \$5.95 for the same price of \$9.95.

These are really exceptional values—every one is without a doubt a genuine bargain. A sale you cannot afford to miss in these hard times. We find we are overstocked with dresses and are willing to take our loss now instead of waiting until after Xmas. This will be your gain and we are willing to share this big offering with our patrons. Sizes 16 to 44.

Be here when the sale starts Tuesday morning at 10 o'clock.

See window display for a few of the styles.

## Sale of All Hats

\$2.00 - \$3.00 - \$5.00

This sale includes every hat in our stock—actual values to \$10.00. These are actual January sale prices. We are crowded for room now that the Xmas merchandise is arriving and we are sacrificing all our millinery stock at these ridiculously low prices. Be sure to get one of these big values.

## The Hug and Kiss On Christmas Morning

—from Daughter or Wife, are among the things that put Happiness into Homes and Life into Living. They are well worth the year of waiting, but, like every Precious Treasure, they must be earned.

A Man's Work is his Life—his pleasure and his pain, his hope and his fear; the outlet for all his energies and the fulfillment of all his desires; demanding all and giving all; coaxing, driving, diverting by its endless change and variety.

A Woman's Home is her World—Is it a Bright World? Within its four walls her life is spent; always the same walls and the same deadly monotony of tasks; no change of face or scene or problem; small chance for a Happy Life unless you plant Happiness there.

Woman was cast from the clays of Tenderness, Imagination, Emotion and Art—and Man from their opposites. Woman's Nature demands and must have expression for itself and fulfillment of its mission, else there can be no Happiness.

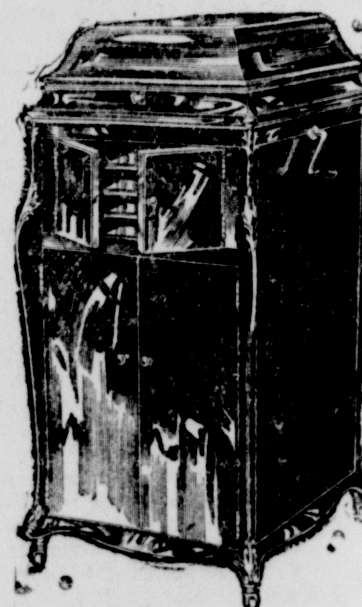

But chiefly the Woman is Emotion—you know it, I know it, she knows it—and the Language of the Emotions is Music. Therefore give her the means to express the Greatest Force God placed within her. Let his be a Musical Christmas—for Her sake.

Home is the Common Meeting Ground of Husband and Wife, Parents and Children, Brothers and Sisters, Family Friends. Let us make it so bright and so cheerful and so happy that none will be tempted to stray from it. Herein lies Family Safety.

Will there be a VICTROLA in your Home Christmas Morning? THINK IT OVER.

Come in and let us talk over Terms and Delivery with you.

Victor Victrolas \$25.00 to \$350.

Victrola No. XI, \$150.

## KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feed young—to do this you must watch your liver and bowels—there's no need of having a yellow complexion—dark rings under your eyes—pimples—a bilious look in your face—doll eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

## SUPREME COURT FIGHT LEADS TO CURBING OF CHIEF

Columbus, Nov. 14. — That the division in the supreme court over that body's action in declaring the reorganization bill an emergency is not healed is indicated in the action of the members of the court in depriving Chief Justice Marshall, who wrote a dissenting opinion in the matter, of all power except that expressly delegated to him by law.

In other words, the Chief Justice will preside at all public hearing in the court room and do practically nothing else than an associate member of the court can do. In all meetings of the court other than public hearings Judge Johnson, the only Democratic member of the court, will preside.

While the court fight was brought to a head on the reorganization case, the trouble is said to date back to the session of the legislature last winter, when Judges Jones, Hough, Matthias and Robinson asked for a bill authorizing the court to name and dismiss employees.

Judge Wamaker and Judge Johnson, who will preside, also gave dissenting opinions on the emergency decision.

To pave the way for transfer of duties from Marshall to Johnson, the court Oct. 25 adopted and entered on its record this resolution:

"The conference which the members of this court hold by mutual agreement for the exchange of individual views and to arrive at conclusions for the disposition of the business of the court should be conducted in such manner as to secure the full, free and independent expression of each member, promote a spirit of co-operation and dispose of the business with such expedition as is consistent with full investigation and deliberation.

"It is therefore resolved, that one of the members be designated to preside at all conferences, assign cases to the different judges for preparation of opinions, direct the reporter in the announcement of decisions and to represent the court in such matters."

Judges Matthias, Jones, Robinson, Hough and Johnson voted "yes." Chief Justice Marshall and Judge Wamaker voted "no."

Immediately following this appears another resolution, which reads:

"Be it resolved, that pursuant to the resolution heretofore adopted this day, the Hon. James G. Johnson be and he is hereby designated to preside at all conferences, assign cases to the different judges for preparation of opinions, direct the reporter in the announcement of decisions, and to represent the court in such matters."

The vote on this was: Matthias, Jones, Robinson and Hough, "yes;" Wamaker and Marshall, "no;" Johnson not voting.

Congressional district lines will hardly be changed in Ohio next year even if congress passes the proposed law fixing the new unit of apportionment, according to a Washington dispatch giving Governor Harry L. Davis credit for the statement.

According to the dispatch the governor says he has not given the matter of calling a special session of the legislature for this purpose much thought, but thinks it unlikely in view of the possibility of electing members at large. The governor intimated, says the dispatch, there would be no special session unless the "joint tax committee agrees in advance on a program satisfactory to both houses of the legislature."

Governor Davis also refused to divulge his plans concerning the seeking of reelection saying he preferred to wait until January or February, by which time he thinks the reorganization bill will have had time to make its value known to the people over the state.

With the opening of the rabbit season only a few hours off, Director of Agriculture J. L. Taber announces an unusual number of rabbits in all parts of the state. He also asserts quail are plentiful, but calls attention to the fact that quail are on the permanently protected list and declares provisions of the law will be strictly enforced.

Whether a farmer may keep a cider press or whether it constitutes illegal paraphernalia for the making of intoxicating liquor is soon to be decided by the supreme court of Ohio.

The case in question is one from Tuscarawas county, in which the owner of a press was recently arrested for making grape wine, fined \$1,000 for the illegal manufacture of intoxicating liquor and his press and other paraphernalia confiscated.

Results of the recent election, says James A. White, superintendent of the Anti-Saloon league, are a distinct triumph for law enforcement. "In almost every community where it was the direct issue candidates standing for law enforcement were elected," says White.

## IT BROUGHT JOY TO THEIR HOME

Chicago Man Says Wife Had Been Ill  
A Year—Well and Happy Since  
Taking Tanlac

There's bound to be something unusual about Tanlac, to help a person like it has my wife," said John Kimer, 1942 Dayton st., Chicago Ill.

"For over a year my wife suffered from stomach trouble, and at the time she started on Tanlac, was in a very badly run-down condition. No matter what she ate or how little, she had indigestion afterwards and it was simply terrible the way she suffered. Her sleep was so broken on account of nervousness that she always began the day tired out, and her nerves kept her miserable all the time. Often she was so weak and dizzy she just had to sit down to rest before she got through with breakfast. Well before she had finished her first bottle of Tanlac we were mightily happy to see that it was helping her right along. She has now taken four bottles, and her appetite is so fine she holds her own with our healthy children at the table, and everything agrees with her so well she has gained ten pounds in weight. She sleeps well every night and is so well and strong she can look after her numerous household duties without a bit of trouble. I don't believe Tanlac has an equal for troubles like my wife had."

Tanlac is sold in Salem by The J. H. Lease Drug Co., Bolger & French, Flooding's Pharmacy and by all leading druggists.

Miners and operators in Ohio are alike in arms over the purchase by Ohio institutions of West Virginia coal at \$4.20 when they claim the same grade of coal can be purchased in Ohio for \$3.09.

Representatives of both called on Governor Davis, and in his absence laid their complaint before Attorney General John G. Price.

"If Ohio coal is not good enough for Ohio institutions to burn, there is no reason why anyone anywhere should use Ohio coal," asserted W. D. McKinley, secretary of the Southern Ohio Coal exchange, in protesting against the purchase.

Albert W. Davis, budget commissioner, who has been acting as purchasing agent since the resignation of Former Purchasing Agent Shattuck, whose troubles also originated in coal, declared the West Virginia coal is sufficiently higher in British thermal units and lower in ash to make it worth the difference in price.

McKinley claims the West Virginia coal is not enough better than the poorest Ohio coal to make it worth this difference.

Ohio is near the lead in the movement to aid the unemployed, it was reported. Cities and counties of the state have sold \$9,999,700 improvement bonds out of a total of \$60,000,000 disposed of in the nation recently. Michigan alone, with \$16,000,000 issued, is contemplating more work than Ohio.

"The overwhelming majority in favor of the soldiers' adjusted compensation reflects great credit upon the fair-mindedness of the people of Ohio," said Hugh K. Martin, state adjutant of the American Legion.

"They have not forgotten The American Legion of Ohio and the ex-service men generally have always been confident that the people of Ohio would decide in favor of a square deal to the soldiers and sailors of the world war. Ex-service people of Ohio are more than pleased with the result."

Following the report of the health service department to the effect that diseases among students at Ohio State university have been materially decreased by the work of the department and the co-operation of the faculty in giving speedy attention to sickness and injury, the men's student council has adopted a resolution calling for inspection of all students' rooms.

The council claims that the health of the student body will be further bettered by seeing that the students are provided with sanitary, well-ventilated and well-lighted rooms.

Ohio farmers will not burn their corn, according to C. J. West, agricultural statistician. West claims the condition said to be prevailing in the west, where farmers are burning their corn in preference to selling it and buying coal, will not come to pass in Ohio, as the relative cost of corn and coal as a fuel will admit of no comparison.

"Corn is bringing 33 cents in Ohio, which is equivalent to \$10 a ton," says West, and with the approximate value of corn as a fuel only two thirds that of soft coal, this would make corn a \$15 a ton fuel, whereas coal is selling from \$4.50 to \$6.50, says West.

of agriculture have been admitted, Director of Agriculture L. J. Taber announced, "in the interest of both efficiency and economy." The places abolished are: Chief narcotic inspector, effective Nov. 15, now filled by J. R. Timberman; chief inspector of weights and measures, effective Jan. 1, incumbent J. T. Lindsey; chief bottling inspector, effective Jan. 1, incumbent John Glasser.

Director Taber said that it is unnecessary to have a chief inspector in a department where but one or two inspectors are used, and that he plans to do away with as many special inspectors as possible that do but one line of work. It is the intention to retain a few high-grade inspectors "who can cover several lines of work," according to Mr. Taber.

According to figures announced by the Ohio Building Association league in conjunction with the United States department of Commerce, Toledo is the first of 30 great home-owning cities in the country. Columbus is second in Ohio and twelfth in the United States. Cleveland stands third in Ohio and fourteenth in the United States, and Cincinnati fourth in Ohio and twentieth in the nation.

Three Ohio women made excellent showings in majority races in Ohio cities, but only one of the trio was counted as a winner. This was their first opportunity to try for this office.

The lucky candidate is Mrs. Estelle Trippie, who was chosen to serve as mayor of Rochester, Lorain county. Mrs. Trippie is an independent.

Although early returns had indicated the possibility that Mrs. Dan Bricker, Democrat, had been elected mayor of St. Marys, a later count revealed that her lead had been overcome by W. H. Swift, a Republican.

Mrs. Bernice S. Pyke, Democratic national committeewoman from Ohio, was defeated by a narrow margin for mayor of Lakewood.

A conference on ceramic research and a joint meeting of the central Ohio section and the Ohio State university student branch of the American Ceramic society will be held in Lord hall, Ohio State university, Wednesday and Thursday of next week. Policies will be considered and plans devised by the members

of the committee on research and development, with Dr. L. I. Shaw, assistant superintendent of the university ceramic station of the United States bureau of mines, as chairman.

A dinner, to which all members of the American Ceramic society are invited, will be given Wednesday evening at the Ohio Union. R. C. Purdy, organizing secretary of the society, will preside.

In order to obtain a permit for hog cholera virus and serum in Ohio, the following procedure must be followed, according to an announcement made by State Director of Agriculture L. J. Taber: Obtain a personal interview with the state veterinarian at Columbus; go to the serum farm and give a practical demonstration of knowledge and proficiency in handling virus and serum; sign a statement agreeing not to use virus or serum on any hogs not actually owned by the applicant. Having observed this formula the farmer or hog owner desiring hog cholera serum or virus will be given a permit.

## Famous Old Recipe For Cough Syrup

Easily and cheaply made at home, but it beats them all for quick results.

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using the well-known old recipe for making cough syrup at home. It is simple and cheap but it has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2 1/2 ounces of Pinex from any druggist, pour it into a pint bottle and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying cough, tickle and dreaded cold disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its healing effect on the membranes.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

## UNIQUE NAME SELECTED FOR COUNTRY CLUB

Taking the first two letters (S) from Sebring, the first two letters (V) from Valley and the first four letters (Keen) from Keenan, the name "Sevalkeen Lake" has been chosen for the new Sebring Fish and Game association's club ground located near Valley. Mr. Keenan has been specially active in starting the club.

The concrete spillway was completed the first part of last week, leaving only about 200 feet of earth wall to be built to put the dam in permanent shape for use. The concrete dam is the heart of the dam and will not be built until spring when the new fill will have settled sufficiently to form a good foundation. This drive is part of the boulevard system which ties in the different sections of the 50 cottage sites which are being laid out on the grounds.

Memberships in this association will be available for a short time yet and can be secured by seeing J. R. Daugherty, the local engineer, who is in charge of the construction work.

## ADOPT PATROL SYSTEM OF MAINTAINING ROADS

Columbus, Nov. 14.—That the patrol system of maintaining roads will be tried out next winter is the announcement made by State Director of Highways Herrick.

The following program has been decided upon by officials of the state highway department: Try out the patrol system between Columbus and Cleveland, eliminate bumps at railroad crossings and bridges everywhere on the state system of highways.

ways, remove snow on the more important roads, centralize authority over highway equipment.

During the winter, it is said, only five detours will be necessary. It is said to be practically certain that every mile of improved state road will have been cared for, from the viewpoint of maintenance and repair, before winter sets in. The greater part of the attention to be given next year to transstate highways will be the filling up of gaps.

## Have You a Cough?

Here's How to Get Rid of the Cough and Rebuild the Body.

Wheelerburg, Ohio.—"My wife had pneumonia about six years ago and it left her with a dreadful cough. At night she would cough until she was exhausted. She could get no rest or sleep. Her stomach was so bad that she could not retain food. She went down in flesh until she was merely skin and bones. I had tried many doctors and medicines but still she grew worse. At last a neighbor who had relied upon Dr. Pierce's medicines for years, told me about Dr. Pierce's Golden Medical Discovery, and before she had taken all of the first bottle she began to improve. By the time she had the third bottle taken her cough had entirely stopped. She gained in flesh and weighed twenty-nine pounds more than before she took the 'Discovery.'—Edw. Pinson.

Go at once to your neighborhood drug store and get the 'Discovery' in tablets or liquid and you'll be surprised at the way you'll pick up.

## STOCKS

### STEEL ISSUES HEAVY

New York, Nov. 14. — The stock market was irregular in the early period today. Most of the leading issues opened higher and then receded from 1 to 2 points.

The steel issues were heavy. U. S. Steel fell 5/8 to 83, while losses of over one point were suffered in Crucible, Republic and Bethlehem steels.

Mexican Petroleum started 1/8 higher at 114 1/2, and then broke to 113 1/2. Studebaker opened 5/8 higher at 74 1/2, and then lost all of this gain. Standard Oil of New Jersey showed a gain of 3/4 points at 179.

There was little doing in the railroad shares.

# 9<sup>th</sup> Great Anniversary and Stock Adjustment Sale

*\$100,000 Stock of High Grade Merchandise Offered at Big Sacrifices*

## Sale Starts Tuesday Morning, November 15th, at 9:00 O'clock

NINE YEARS AGO on Tuesday, we came to Salem and in that time we believe this store has gained the confidence of the people of Salem and this section of Ohio by a policy of square dealing—and, of carrying only the highest class of dependable merchandise procurable and at the same time selling it at consistently lower prices.

The tremendous upheaval in the world as a result of the great war has been reflected in no one business more than in the Dry Goods and every merchant has had to take losses to keep in harmony with the times. Feeling that we have arrived at as near a stable condition in business as the country will be in for several years to come, we decided to take the time of Our 9th Anniversary as an opportune one to make a complete adjustment of all our big stocks and the process revealed many items on which we are willing to take not only a sacrifice but considerable loss. In a word, this means, the Greatest Bargain-Giving Event, not alone in Salem, but in this section of Ohio, will be held at this store for ten days, commencing next Tuesday morning.

*Be Here the First Day!*

*Come, Don't Miss It!*
